CERTIFICATE OF CONFORMANCE

REF SPEC. 102-14

This certifies that all materials supplied pursuant to the current purchase agreement in effect at the time of authorization to AVNET Electronics Marketing conform to (i) all applicable Tyco Electronics drawings and specifications in effect at the time of shipment, and (ii) all applicable customer and government drawings and specifications, represented by a QPL listing, or if otherwise previously agreed to by Tyco Electronics in writing. Required test data and reports will be maintained for the number of years specified by the customer/government, provided that prior notice of such requirement has in each instance been given to Tyco Electronics in writing, and will be made available for review upon request.

This certification is valid only to the original customer and is not transferable.

CERTIFICATE OF CONFORMANCE

REF. SPEC. 102-14

This certifies that all materials supplied pursuant to the current purchase agreement in effect at the time of authorization to AVNET Electronics Marketing conform to (i) all applicable Tyco Electronics drawings and specifications in effect at the time of shipment, and (ii) all applicable customer and government drawings and specifications, represented by a QPL listing, or if otherwise previously agreed to by Tyco Electronics in writing. Required test data and reports will be maintained for the number of years specified by the customer/government, provided that prior notice of such requirement has in each instance been given to Tyco Electronics in writing, and will be made available for review upon request.

This certification is valid only to the original customer and is not transferable.

REF. SPEC. 102-14

This certifies that all materials supplied pursuant to the current purchase agreement in effect at the time of authorization to AVNET Electronics Marketing conform to (i) all applicable Tyco Electronics drawings and specifications in effect at the time of shipment, and (ii) all applicable customer and government drawings and specifications, represented by a QPL listing, or if otherwise previously agreed to by Tyco Electronics in writing. Required test data and reports will be maintained for the number of years specified by the customer/government, provided that prior notice of such requirement has in each instance been given to Tyco Electronics in writing, and will be made available for review upon request.

This certification is valid only to the original customer and is not transferable.
